**Item 1.01 Entry into a Material Definitive Agreement.**

On April 3, 2026, FibroBiologics, Inc. (the “Company”) entered into a Sublease Buyout Agreement (the “Lease Termination Agreement”) with United Fire & Casualty Co. (doing business as United Fire Group) (the “Sublandlord”) to terminate that certain Sublease Agreement, which was effective as of October 5, 2022 (“Sublease”), pursuant to which Sublandlord subleased to the Company certain premises located at the third floor of 455 E. Medical Center Blvd, Webster, County of Harris, Texas 77598. The Lease Termination Agreement terminated the Sublease effective April 2, 2026, successfully concluding the Sublease well ahead of its original expiration date of November 30, 2027. The Company resolved its remaining rent obligations with a single payment of \$45,108.25 and expects to save approximately \$0.8 million in future rent payments.

This strategic consolidation follows the Company's 2025 opening of its state-of-the-art laboratory facility, encompassing over 10,000 square feet of dedicated lab and office space. By eliminating redundant office costs approximately 18 months ahead of schedule, the Company strengthens its operational efficiency and redirects resources toward its core mission of advancing fibroblast-based therapeutics.

**Item 8.01 Other Events.**

The new address of the Company’s principal executive offices is 9350 Kirby Drive, Suite 300, Houston, Texas 77054.

**Item 9.01 Financial Statements and Exhibits.**
